

WHGBL INCIDENT REPORT

This report should be used whenever a medical event or injury occurs during any practice, league game, exhibition game, league and non-league tournament games, as well as league half-time exhibition games. It should be used whenever there is a disciplinary issue with a coach, player or spectator. In addition, this form should be used whenever property destruction occurs at a facility where a practice or game is being held or if there is an issue that requires reporting to the league's disciplinary committee. This report should be provided to the President of the League within 72 hours of the incident to president@whgbl.org.
